“ Eleanor was a dear friend of my Mom Arlene Strunk. I have fond memories of Eleanor and her children as a child growing up. Eleanor always made us feel so welcome in her home on the many visits we made! Eleanor's Christmas card was always the first I received. I will hold her up in prayer, may she rest in peace. My deepest condolences to her family during their time of bereavement.

“ My mother in law was an incredible woman who I am going to miss tremendously. She was in my life longer than my own mother....she always treated me so special and I will be forever grateful for that. She also raised a wonderful son who is a loving husband and father. We have so many great memories and we will cherish those in the days ahead. I love you Ma! Rest In Peace!

“ *I will always remember Aunt Elenor's for the way she made me feel while spending time at her house after school growing up. She not only opened her home but her heart. There will forever be a special place in my heart for her. I certainly will miss her Christmas card, she was always my first card. Rest easy Aunt Elenor's and give Uncle Reg a big hug from me. 💕👉💕🙏.
