“ I have known Mrs. Lowry my whole life and she was a wonderful woman! Although I wasn't technically a grandchild to her, she always wanted to know how I was doing and was always so interested in what I was doing. She was a sweet, kind, and compassionate person and she will be dearly missed. Give my precious daddy a hug for me when you meet in heaven!

“ Grandma was more than a grandparent to me, she was also a dear friend. She will be missed more than tongue can tell. Love to all whose lives she touched. xo
