“ *Eleanor,*
You were such a Joy to have known, along with your Son's and Wally. Your family was such a great family that thought the world of my DAD. Your family was a true Union Family and proud to be a UAW member. Now you can don't have to cry any more for Wally and your son Richard. I'm sure they had open arms for you and said where have you been. So Fly high with the Angel's as you start your New Journey of Life. You will be missed but never forgotten, Thank you for the memories, friendship, and love.
