“ *I was Elfriede's caregiver and friend for a little over two years, we bonded very quickly. We shared many conversations, laughs and hard times together. She always enlightened me with her fascinating stories of her life as a farm girl in Germany. She was so strong willed, and it was a privilege to be able to know and care for her. She was truly an extronany woman. You will forever be in my heart Elfriede. Rest In Peace beautiful soul!*
