“ *Aunty Lily was well loved, especially with her infectious laugh. She was very accommodating and welcoming to us. When we would visit in America she would take us to lovely places including long drives to Niagara Falls and Mackinac Island. We remember visiting her and Uncle French in Felixstowe and trips out to Lavenham. Her yearly summer visits to the UK were loved by all our family. She will be greatly missed even though she lived far away. Our thoughts are with Theresa and Lori and the family at this time. Much love, Maureen, John, Catherine, Amy and Ruth x*

“ I have so many memories of Aunty Lily, the many holidays we spent in America, this country, France and Ireland, she loved to travel and see new places. She especially loved Monaco and Cannes.

She had an amazing sense of humour and her laugh was infectious., she was strong and feisty too, but with a very soft side.

She is together again with Uncle French, Nan, Grandas, Uncle Tommy, Uncle John, Uncle Harry and my Mom, who I know will look after her.

I will miss her so much, as I know we all will.

Lots of love, Marie xx

In many ways my sister Lily was the glue that held our family together. To me she was like another Mother as she was 10 years old when I was born and was always there. Always an adventurer she left to live in London and we missed her so much. From there to America where we had to wait in line to speak to her at Christmas on a pre-booked telephone call!

After her marriage to French the family kept in touch by travelling to and fro across the Atlantic. French always requested postings to England whenever possible and we were made so welcome wherever they were living. In fact they should have had a revolving door fitted to their home because as one family member left a other entered and was given the same warm welcome.

So many lovely memories and so much love, we'll all miss her so much but we can treasure her again through remaining close to her family who knew her as we did.

Love always

“ Colin has fond memories of summer holidays in Brandon, where Aunty Lily always made them feel so welcome and served lovely food and Root Beer! As adults, we both really appreciated her flying over for our wedding in 2009 and always enjoyed her company when she came over for visits and came round for tea. She was a lovely lady, caring, funny, with a wicked laugh and she will always live on in our memories. Love from Colin and Karen xx

“ Our "Aunty Lily", was little in stature but had a mighty personality, such great wit & sense of humour. I loved visiting her, Uncle French & my 2 cousins Theresa & Lori when they lived in the UK, we had great times (& amazing meatballs!). As an adult my wife Liv (who got on so well with Lily) & I enjoyed our little adventures when Lily came over for the summer & we all would set off with my mom to Wales or the Cotswolds & just laugh the whole time. She was just such an amazing lady & will be missed so much by all.
