“ I am so sorry to hear of the great loss of your dear loved one, Betty. She was a beautiful woman, who seems to have been dearly loved. I pray that your faith in God and in his Word, the Bible, can bring your family true comfort during this difficult time. In Revelation 21:4, God promises us that soon death and pain will be no more. What a glorious time that will be.##imported-begin##Beth Nolff##imported-end##

“ Mr. Ray Malerba my words can't begin to express how I feel for you and your family in this time of loss for you and your family but the comfort I have in our Lord and Savior is that I can pray to God to health all of your hearts as you go through this loss. It is my hope (faith) that to be absent from the body is to be present with our Lord. God has established a way for us to be with Him our creator. I pray God fills your hearts with love for one another to help each other to get past the hurt of your loss. Ray no one has seen God at any time. If we love one another, God abides in us, and His love has been perfected in us. By this we know that we abide in Him, and He in us, because He has given us of His Spirit. 1John 12-13 Love you Ray###imported-begin###Christopher A. Frank Sr.###imported-end##

“ Ray, Donna, Vicki, and Anthony and All the world to know- please bear with me as I want to tell everyone a little story about my little sister Betty:

Our Mom and Dad were so happy when Elizabeth was born on Oct 13th, 1959. Because of this, the number 13 was now a lucky number. As for me, her older sister of 10 years, I was very jealous because I was the only girl with 7 brothers. I quickly realized that this was also the best day of my life. When I first saw Betty, she was like a precious little dolly. I couldn't keep my eyes off of her. From that moment on, I spoiled her silly. Whenever she started to cry, I would quickly run to her, take her and rock her back to sleep. She loved it and so did I.

For all my years, she was everything to me and will always be my little sister and my little dolly. I am with you always and you are with me. I Love You so so very much. Your big sis, the crybaby, Pat (Patricia) XOXOXO

P.S. Yes, I had to tell this story again. It wouldn't be the same, as you have been hearing this all your life, so why stop now and I never will!!!##imported-begin##Patricia Marino##imported-end##

“ Ray, Donna, Vicki, Anthony, Jim, and Kayla. Although Betty and I frequently had a difference of opinion on things, which turned out that neither of us were ever right, she was more than a sister-in-law to me and I loved her so. Over the years, I came to understand that all Betty wanted was family first. I will cherish all the years and those many sparring matches. I wouldn't change a thing only wish it could continue. Love you All!!!##imported-begin##Joe Marino##imported-end##
