“ Grandma, We both will miss you so much but have the comfort of knowing you are in a better place with Jesus now. We will surely miss your good Polish food, chiffon cake, and chocolate pies, but we will always have you in our hearts. I know the love and memories you have given to all of us will live on forever. Love you always!##imported-begin##Janell & Michael Plocinik##imported-end##

“ Grandma you will be forever missed. Although years have passed without seeing you, I always remebered you. I loved when I was little and would visit during a holiday and you had made my favorite chocolate pie. I will also, always remember how sad you were at Uncle Waynes funeral. It broke my heart. At last you are reunited. God Bless You! I will miss you.##imported-begin##Lauri Ptaszkiewicz##imported-end##
