“ Ellen was fun loving who never met a stranger. My family enjoyed having dinner with her and playing board games. When I saw her on July 9th, the day before she passed, Ellen had a big smile on her face because she had just finished playing bingo. I asked her if she cheated and she smiled and said you know I don't cheat with people I just met, then she gave me a big smile. I kissed her and told her to be good because God is watching, love you! I had no idea that would be the last conversation I would have with her. She was a beautiful lady and will be missed. Love you, Jim. Sending love and prayers your way, Rev. Robert and Jacqueline Gambrell and sons.

“ We are so sad hearing of the passing of Ellen this morning. We have enjoyed many years of "horsing around" with her and Jim. Even after she couldn't ride any more they would visit us at the campground to share in our potlucks and campfires. We were blessed to attend their 50th wedding anniversary in 2019 where we celebrated together. She loved dogs and quilting and gave me one of her quilts when I went through my chemo treatments. She had a big heart and I will cherish my quilt forever! Jim, what can we say except to extend our sympathy and we will be there for you whenever you need us. Sending love and hugs your way.
