“ Rick, it was just by chance that my sister Susan found your mothers obit. We were both thinking of her this past week. How amazing God works. You and your family have our condolences. I think the last time we saw her was at Uncle Richards funeral. Ellen had a long life and I hope it was fulfilling. I remember her father was nice and that had to be a long time ago when our grandparents were alive.

I live in Lathrup Village now and Roseland is where the Clark family plot is. Contact us if you are in the area.
