“ I am deeply sorry for your loss. In times like these we really need to no God still cares for us and will comfort us . Many people find comfort from Gods word the Bible (John 17:17)many people who have died will be resurrected (John 5:28,29). You might ask then what? (psalms 37:29). So you see we can still find happiness in this world we are living in as long as we are aware of our spritual needs (Matthew 5:3). So may God keep you and your family .
