**Florist Choice Bouquet** - June 26, 2020 at 12:00 AM

“ I feel very blessed to have had someone like my Aunt Emilia in my life and especially privileged to have had her and Uncle Tricolo as my godparents, because nobody could have set a better example. She was always so patient, kind, and accepting. And nobody could bake cookies like her. There was always something new coming out of her kitchen. While I received many gifts from her as my godmother, her best gifts to me were her five children, who are the cousins I love so much. We will all miss you Aunt Emilia.

“ The first time I had Gnocchi, I watched Mrs. Orlando make them from scratch. I don't think I'll enjoy them more. Everytime I see them on a menu, whether I order them or not, I always think of my "Gnocchi Mama". Keith Watassek

“ My condolences to the family. Always have fond memories of growing up on the East side of Detroit and visiting the family when they lived on Laing. Mrs Orlando always greeted me with a warm smile and a gracious offer to stay for dinner. Seemed like she was always making sauce (gravy) and pasta and wanted to share. She will be always remembered as a caring and friendly host.

**Pink Tribute Spray** - June 25, 2020 at 12:00 AM

“ We have countless beautiful memories of Aunt Emelia, like sitting around the kitchen table as kids with my cousins as she served the best apple pie in the world that she baked and enjoying the lake front with her and Uncle Tricolo. What an exceptional Aunt she was to us. She always made you feel welcome and appreciated. Her laugh made everyone feel great during any funny moments when the relatives got together and started joking with one another. We will miss you so much Aunt Emelia. Words cannot express our gratitude. Love you forever and ever. Daniel

“ Emilia Orlando was the perfect Italian Granmother and I am lucky to say she was mine. When I think of Christmas as a child, I think of her. Playing in the snow around her house (the house her husband and brother-in-law built), I would come inside where she would serve the most amazing meal! Grandma would always make sure everyone ate first, she would always eat last and be the first to clean. She would then play poker with me, my Aunt and other relatives. She would get out her big change jar and always made sure the younger kids somehow ended up taking home the big pot of quarters! Grandma always gave kisses and hugs freely. She was always there like a big blanket of love ready to make sure you felt every inch of security and that love. They do not make women like Emilia Orlando anymore. She is someone who I need to strive to be more like, to be honest we all do. She gave to Saint Judes, the Church and many others. She was a humanitarian, she loved to care for other humans. She never judged anyone and accepted everyone for who they were. She loved her family no matter what and always showed her support. Grandma you will be so missed. Thank you God for the 99 years you gave her to this world. Thank you for the 30 I got to know her and be loved by her.
