“ *How do you measure a mother's love? It can't be done,since that love is unconditional. As is God's love for all of us. Dad may have been the head of our household but you were the heart of it. You guided EVERYONE in the right direction,giving us the love we needed to make the right decisions. What we did after that is on us. Encourage,support,sacrifice,inspire,that is what you did. You always said that you had 10 fingers and if any one of your fingers got cut it hurt. If any one of your children were hurting so did you. Paulette,Evette,and I were BLESSED to have you as our Mother. You reached your journeys end here,now join Dad and walk with God. PS. Say Hi to Dad,*
