“ My thoughts are prayers are with the family. Emma was such a good friend to my mom (A'brilla). I remember going to her apartment with my mom and listening to them gossip... I loved every minute.. She always tried to feed me. My mom has lost a very good friend.. She will be missed###imported-begin##Sue (Milostan) Laginess###imported-end##

“ I have so many great memories of Emma over the years.. The matriarch at all the family gatherings. She really loved when you had shrimp for an appetizer--, I think she thought the bowl was all hers! The way she would banter back and forth with all the men.. (Paul, Uncle Norbie, Brian and all)and they loved her for it. She always made me feel like I was a part of the family and that's what made her such a great lady who raised 2 wonderful daughters who are dear friends. She lived a great fun life and had so many wonderful times with everyone! She will be missed but never forgotten!!##imported-begin##Lisa Stilson##imported-end##
