“Although I haven't seen Eric since high school. I can say that he pops into my mind from time to time, and thoughts of him always make me smile. I remember how much he loved the movie Ferngully and how infectious his smile was. Sending love.

“ Eric, it's been many years but I am sure I can speak for our classmates when I say that you could always put a smile on our faces and your high fives were the best! Thank you for the memories. Rest peacefully. - Aneisa Ford

“ Eric, we will miss you so much! There was rarely a family event that you would have missed such as holiday get-togethers or birthday parties throughout the year. You often shared a joke with us or entertained us with your rendition of an Elvis song. We believe you to be with the angels!
