“ Dear Westergaards,
I am very sorry to hear about Eric's passing. I am thankful to have
known about it so that your family could know that you are not alone
and are being thought about. I remember bringing cookies over
when you first moved in and playing pool in the basement. Your
family will be in my prayers. Thinking of you, Stacy###imported-

“ Dear Westergaard Family:

*I was sorry to receive the news of Erik's death. I have many fond
memories of Erik sharing his science experiments (the one's that
came in the mail) with me, and teaching me many interesting things.
His love of cars, playing pool in the basement. He'll always be part
of my childhood memories of Warren, MI. My condolences to the
entire family. I will be remembering Erik and all of you in my prayers.*

Sincerely,

Norman Vesprini, Tara & Leo

“ Hello Charlie & family. We are saddened by the passing of your son Eric. Having six children, I can surely feel your pain. I hope to see you & Jerry again next summer when I get to Detroit. I lost Jerry's e-mail address so please have him or yourself contact me. Hope you & your family are doing fine. Tom & Willy Grogan###imported-begin##Tom Grogan###imported-end##
