“ I would like to pass my condolences to the Wahoski family on the passing of Ernie. I worked with Ernie for a number of years at TACOM in the Engineering Business Group, and in fact, as a new hire, he trained me in the areas of Data and Configuration Management. He was a pleasure to work with and always made me laugh,....and without his oversight and help, I would never have been as knowledgeable as I am today on those subjects. He will be missed.

“ Dear Kathy, Leon, Ernest Jr. and Family, We are very sad to hear of Uncle Ernie's passing. He was a very special person. We remember his smile and kindness and the way he made us laugh. He came to many of St. Claudes festivals and our children still remember that.

We are sorry we cannot attend his services, and we send our deepest condolences. We are having a Mass said for Uncle Ernie on February 8th at our parish St. Claras here in Howard City.

“ I am so sorry to hear of the passing of my neighbor and dear friend who was more like a dad to me.

Like everyone else who knew your dad, I have numerous happy memories and stories about your dad. He was always there for me with a helping hand--he once told me that God put him in the middle of two single ladies for a reason. He watched over us, helped with home tasks--without ever being asked--always waived as I left for work or errands, talked for hours on the front porch in the summer and, of course, as we waited to tee up on many beautiful courses that we played over the years.

I am so sorry that I was out of town the last several months and never had an opportunity to say good bye.

I will miss his smile, his jokes, his thoughtfulness and most of all his unyielding friendship. He truly is a blessing in my life!!!!

(I am so sorry I will not be able to visit the funeral home this evening as I have been developing flu symptoms during this day at work and feel it more prudent to stay away so others will not become sick)

Know that my thoughts and prayers are with all of you!

“ *My Dear Brother Ernie,*

You will be missed more than any words can say, especially our many recent long telephone conversations, all the many happy times we had during the growing up years, including when you would tease the rooster and he would wait for me to get off the school bus and attack! We had so many laughs about that. You always were ready with your quick wit, no matter what.

We'll always keep you in our hearts and memory, remember you in our prayers. You have now gone to your heavenly home to meet all our relatives and friends that have gone before you, all the angels and saints that have been waiting for you. With our love and prayers always.##imported-begin##Casey & Mary##imported-end##

“ *Ernest, Leon, Kathy & Matt,*

With Heavy hearts we leave this message.... We are sadden to hear that Uncle Ernie passed away. He was always so kind to us and our daughters. He always had a funny joke to tell or a kind word to share with us. I remember the very first Family reunion I attended at Sandy's condo, when Uncle Ernie, Grandma Wozniak, Angela, Kim and myself had a watermelon seed spitting contest! What GREAT memories we have of your Dad! May you find peace in all of your memories of your Father and know that your Mom & Dad are together again! “ Dearest Ernest, Leon, Kathy, and your entire families, I'm sorry about the loss of Uncle Ernie. I have so many stories to tell about him. He was a joker, and a genuine fun person. Growing up I spent many good times with your Mom and Dad. They both are very dear to me. After your Mom passed, he spent a lot of time with my Mom. After I retired I spent more time with him, particularly golfing. I remember one time when he came over to our house to golf and have lunch. He was making this wonderful desert for us. But he forgot to bring it. It was very funny. Just know that your Dad was loved by us all and will be missed.
