“ Dear Joanne, Kathy, Karen, Karla, Kevin, Kami & entire family,

*I was so saddened to hear about the loss of your Dad (and husband). He was always such a wonderful man. During my whole childhood, I adored him. I always remember how he spoiled his kids with love and always went out of his way to help everyone.*

*I was 2 years old when I met him so he was like a second Dad to me. He was always a pleasure to be around. I remember when he would sit us in his basement and have us watch home movies. At the time I thought it was so amazing and always thought he was so rich! We always had fun with him!*

*My thoughts and prayers are forever with such a dear, sweet, caring man and with the entire family.*

*I love you all and I pray you will get through this time of sadness.*

*Love always,*
