“ He taught me how to hang glide among other things. I have a rocking chair that is 40 years old that he helped me build. And everything he ever did with me he did with a smile on his face and a story to tell. The best Uncle, a man could ever have in his life.

“ He was a very nice man. The times that I visited Brenda, and he was there, we always had such interesting conversations. He had a thirst for life. You could really talk to him. He was a fantastic handyman too. What a nice dad to have. Brenda sorry for your loss. He will be greatly missed.

“ I shall always remember Erv in his white "painter's" pants and white tee shirt, sweating profusely as he maneuvered his mighty "Locke" reel lawn mower over the back lot.  
He always had time for a bit of conversation. He and Kay were great neighbors, we miss them.

*Saw the obituary in the Macomb Daily and was instantly transported back many, many years living across the street from the Edwards family when Uncle Erwin and family would come to visit Betty, Les, Terry and Sharon - or when we would see him at Sharon's "grandma's house". I will never forget what a dear, sweet and caring person he was, left a lasting impression and always made me feel like part of the family - probably because Sharon's house was my home-away-from-home. I know you all have many wonderful memories to cherish. I wanted to express my deepest sympathy to all of you and may he rest in peace.*
