“ Dear Linda,
I am so sorry for your loss. It is hard to lose your mother. Our moms were born only two years apart. My mom passed away. I have thought about you from time to time. I am sorry we lost touch. I am retired now. For the past 10 years I have been a docent at the Detroit Zoo.
Take care.
Love,
Irene

Hello Irene! It is so nice to hear from you! I am just now seeing this message (May 22). It would be wonderful to see you again sometime. I still have family in the Detroit area. In fact, we were actually talking about going to the zoo at the end of June, when I am considering coming to the area for a big graduation party in my family. If you get this message, I hope you will email me at lindalneuman@gmail.com and maybe we can arrange a meetup, or at least get back in touch. Thank you so much for your condolences. Mom lived a good and very long life, but it was still so sad when her time finally came. It made me even more aware of how short and precious life is!

“ grandma was always there when o was growing up at every recital dance birthday holiday family dinner cottage outing and more. She cooked us chicken soup played cards shared cookies and coffee and peanuts. I remember her early on as happy smiling laughing and always dressed a little extra special as she loved jewelry coats shoes and style in general. She was resourceful and a saver. She loved their friends and times I'm florida. Dancing made her happy as did having any family around. I have been sad for years since Grandpa passed to see her life get harder and more sad and lonely. Now as I think of her passing I'm filled with hope that she is not only with the Lord but with Grandpa and with her father and mother and sister and brother and so many more! God bless her always. I love you Grandma "a buschel and a peck!" Donna
