Tribute Wall

“ Aunt Esther will always be one of the pillars foundational to my coming to faith.
I was just thinking there are at least 6 great qualities and strengths that she always demonstrated to me: Thankful contentment, Kindness of heart, Persistence, Generosity, Humility and of course Faith. All of these qualities served her well even through hard trials in life she will always be a great example to me of a life well-lived. Until we see each other again. Then sings my soul How Great Thou Art
