“ Dear Anne, Lynn, Sheryl, Daniel, I am saddened by your loss. Yet, how wonderful, Anne, that your mother spent such a wonderful span of time with her loved ones and so many others privileged to have known this gentle lady. Looking back at our time together at L'Anse Creuse Schools, I vividly recall your own kindness and love which you shared with your pupils. As a mirror reflects the image, you were privileged to reflect the beautiful nature of your mother. Her pride was undoubtedly great, her feelings of blessedness tremendous. With love, James Cambridge

“ To the entire Toussaint family - I am so very sorry for your loss. While I never got to meet your grandmother/mother, I feel like I did with all the stories Sheryl would share. I know this is a difficult time, but I pray that your memories of her will give you comfort and that you have peace in knowing she is no longer suffering. You are all our thoughts and prayers.
