“ My aunt Ethel was truly an extra special person! When she entered the room , there was always laughter & fun! She had a way about her to make you enjoy life & quiet time was not in the picture! I will never forget the singing & harmonica playing that my dad & his (sister Ethie) always had the family join in with them when they got together!  
Thanks for the memories dear Godmother & kisses to you and our familiesin heaven!  
Love you,  
Dolores & Joe Falensky & family xoxo

“ What an amazing and charming woman Ethel was! When I would visit her with Penni she was always ready and willing to offer up some great life wisdom and always with a slash of humor 🤪 She was pretty cool and will be missed! There's no doubt she is quite a Joy in Heaven!!
