“ *My Dearest Eugene,*

It has been a year and it seems like an eternity since I have seen you. You cannot imagine how much I miss you. Everyone has been so kind. Please watch over the kids and your favorite little people. I think Denny misses the phone calls and the play by play of the Lions. I think of you every single day.

*With all my love,
Annie*

“ *My Dearest Eugene,*

When we first met 54 years ago, I just wanted to be friends. You became my best friend, my love, and a wonderful husband. I wish I would have only one more day with you. I love and appreciated the Kroger WOW flowers, you singing to our favorite songs, your notes, your voice and so much more.

Our marriage of 49 years are filled with memories I will cherish and keep in my heart forever.

*With all my love,
Annie*

“ I knew Gene went his parents sent him to St. Cunegunda Grade School in Detroit, I'm sure that you heard the story how he had to take a bus Detroit. Faith had us meet again in our late teens, in Keflavik Iceland when we both were in the U S Navy. Then AGAIN some years later we met again as Detroit Police Officer. Gene was a husband and a father, a funny guy, a good cop and just an all around good man. The family has my condolences, may he Rest In Peace and I hope to meet up with him again...
