“ He was a great man and times with him were very memorable for me, times playing pool, having a beer, or just sitting and talking although I could not be there I wish I had been just to touch him one last time tell him I loved him one last time. He will forever be in my heart and mind, and as I get older I will remember things he showed me. I am not sad though because I will see him again and be able to live on in heaven with him and my other family members until the end of time.

*Thank you Pepe, I love you so much

“ It’s very hard to bear the loss of your loved one Eugene G. Lemieux. Although there is little that one can say or do to take away all your pain. May the God (Jehovah) of all comfort give you the strength needed to endure the days ahead? Our heavenly father promises that his original plan for humans to live forever in paradise will come to completion. Just a little while longer and "death will be no more, neither pain or sorrow" - it will all be a thing of the past. Isaiah 41:10 & 13, Isaiah 26:19, Proverbs 3:5-7.
