“ We are all very saddened but relieved by the death of such an Iconic Irish Gentleman. How fortunate we all were to have known and been related to such a kind soul who possessed that Irish twinkle in his eyes. Here's an Irish toast to an amazing person: 🍀 May the road rise to meet you, May the wind be always at your back. May the sun shine warm on your face, The rains fall soft upon your fields. And until we meet again, May God hold you in the palm of his hand.
