“ Gene was one of the sweetest human beings I've ever had the pleasure of knowing. Gene had those beautiful twinkling eyes, a sweet smile, and always an outstretched arm to give you a hug and a cold beer. He was our neighbor on Rainy Lake and long time family friend of the Green family. He loved wood working and we treasure the things he made and gave to us. Gene could fix just about anything and we could always count on him to have just the tools we needed to do any project.

Our children, Cody and Cara, have known Gene since they were born. Each time we went north to the cabin, the kids looked forward to visiting Uncle Gene and Sis. Instead of candy, Gene would often give each child a big dill pickle that he had "pickled" himself. The kids cherished this special treat and dubbed him "Uncle Pickle". Cody loved talking hockey and the Red Wings with Gene and Cara brought many of her friends to visit with "Uncle Pickle".

It won't be the same going up north to Rainy Lake now. Gene carved out a special place in our hearts and he will be missed, but never forgotten.

“ *Gene,
You lived life to the fullest. You raised 2 beautiful daughters, and a son. You were a loving Father-in-Law, and Grandpa. For 36 years you battled and conquered the FLAMES of Hell. You lived, like you worked, with COURAGE, HONOR, LOYALTY, RESPECT, and COMPASSION. Thank You for the LOVE, KINDNESS, and CARE that you given me for 18 years. You will FOREVER be in our HEARTS. Now take your HONORED place on HEAVEN'S department...
Love
Mark*
