“ Carol, Gene, George, Richard, and Jerry

I have known your dad all my life, he was a friend, GREAT bowler, mentor and just a fun person to be around. Although we had not seen him much in the last 15 years, I do remember many times with him and your family, picnics at Metro Beach sure come to mind or on Sundays at Fantasy Lanes. We are truly sorry for your loss and also that we were out of town so Pam & I could not come by to pay our last respects! Your pop will be missed and always thought of as a wonderful man!!!!!!!

“ Gene was a good friend of my parents. They grew up together in the "old neighborhood" and then lived nearby in Warren. He was always friendly and pleasant to talk to. May your family find comfort and peace in the memories of a wonderful man.

“ dear Wenson Family

*I will always remember that Gene never forgot his wife's family. I could always count on him being at funerals and weddings. I always thought of him as a blood relative and even ran into him at St. Florian festival selling tickets for St. Dorothy. You will not be forgotten. When I first introduced you to my future husband in 1956, you said I know him he used to buy suits from me at Rathnaws..

“ Condolences to the Wesson family. Mr. Wesson was a good friend of my parents Georgia and Steve Bukowski. He will be missed not being there at Christmas time sitting behind us at church and telling us all his stories. May he rest in peace.....

“ Gene is my brother-in-law. I thank God for him and the way he kept his family together after the death of Dolores, his wife. Gene was faithful to his immediate family and all of our family connections. He was a prayerful person with a big heart and a great sense of humor. He is missed already. My sympathy to Carol, Gene, George, Jerry and Richard and their families. May he rest in peace. Sr. Carol Ann

“ Dear Carol, Gene, George, Richard, and Jerry:

We are deeply sorry for your loss. We hope that all your fond memories of your dad will be of comfort to you during this difficult time. Your father certainly played a central role in uniting the Wesson family every year with the family picnics. I (Linda) will never forget his vocal enthusiasm when he danced the poka in his earlier years. . We will really miss him. Our thoughts and prayers are with all of you and your families.

*Love,
Linda and David (Greer-Clark)*

Well kids, that hard-headed, fun-loving man is in a better place. We all know that he was pretty independent & proud. Not being able to drive around and visit his friends and relatives was not a good life for Gene. Now he is back in the saddle again, enjoying the time with his other family and friends. We have missed our visits this last year and really regret not going to see him before he passed. He was proud of each and everyone of you and you will always have those memories. All our love to you all. Micki & George Blaz
