“ *It was a great pleasure to have worked with Gene at Ford in the last few years before he retired. He not only successfully completed his assignments on time or early but he also managed the MP&L Golf League. Gene had great tact and composure in resolving conflicts. He was a respected and beloved advisor to me and others. He holds a special place in my heart. He will be happy in heaven as I hear it has great golf.##imported-begin##Roxanne Harold##imported-end##*
