“ Dear Dolly, Our prayer and thoughts are with you at this very sad and difficult time. You may not remember me but i am the daughter of Leo & Bernice Rosinski (Ross) years ago you & Gene use to come to my mom and dad's house Gene would always fill out our income tax for Bill and i. I also babysat your daughter Judy at times. Years ago we use to live on Tumey Street Van Dyke 6 mile. May God Bless you and your family. “ I will always remember Uncle Eugene with a smile. I will never forget our vacations and the time he introduced us to color television. I am sure that he is responsible for my obsession with cameras.  
To my dear Aunt Dolly and all my cousins, please know he lives on in my heart.
