“ Dear Andy and Karl,

We met in college many years ago and became friends. We had many good times and did many things together. You were kind enough to bring me into your home where I met your wonderful parents. They were two of the nicest people I have ever met. The last time I saw your parents was at my mother's funeral. We were able to visit for awhile and I enjoyed it very much. I remember how I could never visit at there house without your mother offering me food. I could not refuse because everything she made was outstanding.

I am very sorry that I am unable to make the visitation and pay my last respects to your mother. I just had surgery last week and am home bound for the next couple of weeks. It sure would have been nice to see both of you again.

Mary Ellen and I will keep your mother and father in our prayers. I know they are together again and there smiles have brighten heaven just a little bit more.

Peace be with you both.

“ Dear Barkovich family, I am sorry for the loss of your dear loved one, Eva. At a time like this it is very comforting to have the support of family and close friends. It is also very comforting to turn to "...the God of all comfort, who comforts us in ALL our tribulation."(1Cor. 1:3,4). His son Jesus said at John 11:25, "I am the resurrection and the life. He that exercises faith in me even though he dies will come to life."

I hope these few Scriptural verses will bring some small solace during this most difficult time. Please accept my sincere condolences and if you have any questions or would like to hear more about the resurrection, please feel free to contact me at 6255 Wayne Road Romulus, MI 48174 or visit our website at www.watchtower.org--with warm sympathy, Celia##imported-begin##Celia J.
