“Hazel!!!! Help!!!!” That was all I ever needed to say when a costume was falling apart, or the slacks got saggy, or sequins were raining all over the house. She was **always** there for me...with a smile and a tiny shake of the head, meaning, "These Sweet Adelines...!!!" It was always with a great sense of relief that I would unload my burden of "these darn clothes" on her and know that very, very soon they would be perfect. And don't ever think she would let you pay what it was worth...nononono...

Hazel...one of a kind. You are already missed, kiddo...you were the best!

“ Growing up next door to the Williams Family was so much fun. I got to spend alot of time at their home as Cindy was my 'best friend'. During those years Hazel welcomed me to sample many yummy things that she made in her kitchen like I was one of her own. My family asked for help with sewing for special occasions and Hazel was there to lend a hand.

My sincere sympathy goes to Bobby, Elaine, David and Cindy. Thoughts are with you all during this time.

*Sincerely,
Donna (Morgan) Polom*

“ Hazel will be dearly missed by me. I have known Hazel for close to fifty years. I watched her children grow up and have children. I saw Hazel delighted with the birth of each great grandchild. We had some wonderful talks about her interesting life growing up. She was a joy to be around and I cherish all the times I shared with her. She will be greatly missed by everyone.

“ Hazel, you were blessed as my own mother with the talent of sewing. You shared your talents with our singing group, as well as my mother. You had the most beautiful thimble collection - wished I could have done that for mine. I'm sure you will be hemming the gowns of angels as well as fluffing their wings. God has called you and are blessed by him.

“ *Knowing Hazel was an honor and privilege. Her kindness, gentle manner and wit will always be remembered and treasured. All this went way above her expert skills as a seamstress. May God hold you in the palm of his hand, dear lady.*

“ A few fond memories of Hazel
She hand stitched all of the beading on my wedding dress because she said it wasn't good enough the way it came :)
She LOVED babies, she would come sit next to you until you offered the baby to her.
Hazel will be dearly missed.
