“ May the hope of Psalms 34:18 bring the Hladysh family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.

“ I couldn't possibly share one memory of Grandma when I have a lifetime of memories with her. Mom took us to Grandma's house every single day growing up. We took all our vacations together, had bbq's on Sundays, and spent every holiday and birthday together. I'm blessed to have 30 years of memories of her and will miss her everyday. I love you so much Grandma.

From the first day I meet Aunt Evelyn, she treated me as family. Not just someone who married into the family. We shared a passion for reading, good furniture, and great recipes. She will be missed but never forgotten. Always in our hearts.
