“ It was serendipity that I came across Bobby's notice today. I guess it was the familiar Detroit Police Department hat that drew my eyes to that corner of the newspaper. I was stunned and saddened when I realized it was Bobby. I know it has been many years since I have seen you and Bobby but you know how it is - your mind wanders and you think of people. My mind's eye would always present a happy picture of you two. Bobby was lucky to find you and my Mom Junie and I always thought you two had made a very nice life together. I am feeling your loss. I have very fond memories of Bobby, Uncle Stan, and Aunt Marge. One summer I spent up there when I was fifteen. Uncle Stan and Grandpa Wojichowske kept Bobby and me busy. My recollections of that summer are very vivid and linger with me yet. I wish I could be there tomorrow but my baby (yes, I have 3 month old boy born 6 /24/08) who we named Juno after my mom June. He might be deaf. Crazy, huh? He has an appointment at DeVos Children's Hospital for advanced hearing tests. We're keeping our fingers crossed but we just love him to bits. Otherwise we would be there to pay our respects. I just wanted to let you know that I had much respect for Bobby and I will miss him. Much Love and Peace.##imported-begin##Richard "Sonny" Pierce##imported-end##
