“ To my brothers and sisters
Mom's body was put into the ground. We will no longer be able to see her, touch her or kiss her. But, we have so many wonderful memories of a grand woman, a woman who taught us how to live life to it's fullest, a woman who loved people and who was generous with her material possessions, a woman who was pleased to give of herself. What a legacy we have. May we all learn from our mother and give back in any way we can. I love you with all my heart. May God bless you and be hold you in the palm of His hand.

“ To: Marge, Clem, Bill, Lori, Duke, Liz, Ev, Mary, John, Jo, Terese, and Susie: I love you and pray that with the passing of our precious Mom that we would draw strength and love from each other. We will miss Mom, but we can continue to remember her through each other. We all are a part of her and embrace in our hearts a bit of her that the others haven't experienced. Only we can keep that alive by being there for each other when the times are rough. Please know that I want to be there for each one of you when life hurts. I love you and will always pray for each one of you. Please pray for me. Jane##imported-begin##Jane##imported-end##
