“ To My Mom:

*There was a song called Mother and this is what it means to me.*

*M is Memories. Memories of you will be with in my heart forever.*

*O is for Others. The many many others that you touched can never be counted*

*T is for Teacher. You taught us so many thing about life that we cannot thank you enough.*

*H is for Heart. Nobody had a bigger heart than you. From taking care of your family,relatives, and friends. Also for the ones you never really knew but prayed for them.*

*E is for Enjoying. Nobody enjoyed life more than you. You are the one that kept this family together. We will always be Family because of You.*

*R has two words that come to mind, Rosary and Remember. You were so devoted to the rosary. who is going to pray the rosary on bowling night?*

*And remember, Remembering you we are, what we do, all came from you.*

*To some that spells Mother to me that spells EVIE.*

*So it sad to let you go, I know you will always be with me.*

*Your loving son, David##imported-begin##David##imported-end##*
