“ I came across this obituary by accident. I had no idea that you had lost both of your parents Joe. I'm so sorry. I lost my Mom in 11, and life is never the same, is it? really have great memories of growing up at your house, between the pool, and the Chuckie Cheese Tuesdays, and all the movies your parents took us to. I will always remember your Dad for his sense of humor and our annual Cedar Point trip. Praying for you and your family.....
