“ *I'm heartbroken. Last night 9-18-21 was our Fitz class reunion party. I bought a tix to see Felix. First thing I asked when I walked in the door, to Bill Danaluk was: "please take me to see Felix." Bill took me over to the memorial table & showed me Felix's photo. I was crushed & I'm so very sorry. You have no idea how badly I wanted to see him & remind him of all our crazy fun times. Once he wrote on my parents bay window: FELIX WAS HERE! Wish I had known last year, I would have loved to be @ the funeral. Once again, I'm so sorry for your loss. God Bless the Segovich family.*

“ *Uncle Felix, even though it was my Birthday...and you decided that was it, you were tired, I'll forgive you! ❤️ It was very comforting to be with you when you took your last breath. When we asked who you were going to see? We're you going to see your mom and dad, and you squeezed our hands. We truly believe when you opened your baby blue eyes wide, and looked up, up, up, you were telling us that there really are angels above, and they were waiting for you, It really won't be so bad when we all leave this place called earth..... we will miss you, until we meet again, may we all have peace.....❤️*

“ It has been a long day since my Uncle Felix passed away today. So I want to share my memories with him. I remember the year of 2011 with my uncle when my cousin Scott graduated from high school and my last memory was the year of 2018 when he came to my grad party last year. Rest in Peace Uncle Felix!

Your Uncle Felix and I, once got a hot tip of a horse that was going to win that night, in the mid 70's. Well, he drove in his "green bomb" and we spent every dime we had on this horse! The horse on the last turn fell and broke his leg! We were screaming GET UP! Uncle Felix, had an eighth of a tank of gas to get back from DRC! My heart hurts to know we lost him. What a great friend I was blessed to have in him!
