“ My deepest Sympathy to Flora's family. I was blessed to have met Flora, when I worked at St. Joseph's. She made me feel welcomed from day one. She "always" had a smile on her face and a laugh, that brightened everyone's day. May God help her family through this. ~ Denise McCarthy ~##imported-begin##Denise McCarthy##imported-end##

“ As I am writing this note, I am watching the beautiful pictures of the seasons changing. Many seasons have come and gone; God's beauty is so evident. May the peace of knowing that Flora's suffering season has ended and her reward is waiting for her be comforting to all of you. In the days ahead, your memories will keep you connected. God be with all of you today.##imported-begin##Mary Beth McLellan Nimtz##imported-end##

“ My thoughts and prayers are with each of you. I have so many wonderful memories of the hours spent with the Uncle Neil and Aunt Florence Family whether at their home or across the road at our grandparents' as we were growing up.

Flora was definitely a "good egg" as we used to play the childhood game.

Peace and comfort to all.

“ Dear Larry, Christopher, Patrick and Meagan,
This is truly a sad time for anyone who knew Flora.
I had the good fortune to work with her in Blood Bank. She was the most admired tech in the lab because of her knowledge, her ability to her cool under pressure, her extraordinary work ethic, her kind and easy going manner, her great sense of humor, her acceptance of everyone no matter their quirks...I could go on and on. She was a friend to everyone and I will never forget her.
I know you have many memories that will keep her alive in your heart. I hope you find the peace of mind to cope with how unfair it has been to lose your wife/mother way before her time should have been.
You are all in my prayers.

“ Flora was an amazing person and a talented employee. We worked side by side for 30 years and she had this way of engaging everyone she met. She was the "mother" figure to everyone because she would listen with true concern and compassion. She brightened everyone's day just by her smile and her cheerful words. I can not begin to express how much I will miss her expertise, her spirit and her smile. I will think of her every time I walk into my department. She was not just my coworker, she was my friend.##imported-begin##Sue Bowers##imported-end##
