“ *Don't think of Florence as gone away, her journey's just begun. Life holds so many facets, this earth is only one. Just think of Flo as resting, from the sorrows and the tears. In a place of warmth and comfort, where there are no days and years. Think how she must be wishing that we could only know today, how nothing but our sadness can really pass away. And think of her as living in the hearts of those she touched. For nothing loved is ever lost and Flo was loved so much.*

Mrs Narozny was one of the most important and influential woman in my life. I have such fond memories of growing up, thanks to all she brought into my life. She taught me how to "float" in the Narozny back yard swimming pool. She let Nancy and I dress up in her old hats and shoes, then parade around the house and yard. Florence even let Nancy and I play "gas station" in her chevy parked the garage. (Note that the car was turned off and & no keys were in sight!)

Her kid's birthday parties were always fun and many of Nancy's included a back yard barbeque and line dancing in th garage. The Narozny holdhold was always stocked with great food like: ice cream, candy, cookied, chips. A child's fantasy house. Then there's all the Polish dishes, but since I'm Italian, not sure how to spell them (perogie, gwumpkie?). I can't leave out the late night trips to Top Hat and White Tower. Mrs Narozny was the "coolest" Mom on Wayburn and for the entire East Side of Detroit!

Ah yes, and the trips to Camp Dearborn were filled with great adventure and fun. For my Senior Prom, Mrs Narozny did my hair and makeup. Of course, it turned out great and she made me feel very special and loved. When I think of her, I can't help but smile and remember how she was so good natured and caring. Her sense of humor was great and her sarcasm "spot on".

So to the Narozny family, other relatives, and friends of Florence Narozny, the Placido family (Janet, Lorraine and Lucy), send their deepest regrets in the passing of such a dynamic and unique person. Our thoughts and prayers are with you.

The memory of Mrs Narozny will remain with me always, along with all the fun and happy experiences that she brought to me.

*Love,
Janet Placido*

“ Even though Aunt Flo wasn't my aunt, she was my second aunt, she sure felt a lot closer. I know my mom (Elise Richey) has plenty of heartfelt memories from her childhood including Uncle Charlie and Aunt Flo, and I enjoyed rummaging through my grandfather's (Michael Kargol) old pictures of them. I have some of my earliest memories at their long-time house in Algonac. A picture of my cousin Christopher (Collete & Don Chadwick's son) and I painting stained glass on the waterfront in our bathing suits, they were always great entertainers! And once I got older and Aunt Flo found out I played for my high school's bowling team, she constantly inquired about my progress. Aunt Flo was such a pleasure to be around, and very often dished out a good laugh for us all. She will be missed, may she rest in peace, with her sweetheart Charlie.

“First, I am incredibly LUCKY to have the love and support from Grandma & Grandpa Narozny over the last 29 years. In my eyes, I will continue to have it and will always feel them with me. I am extremely lucky to have an incredible Mom, (second Mom) Aunt C, (Godmother) Betty, Aunt Patty, Uncle Jeff (brother) and Uncle Gary during my childhood and to this day their support for me is not normal in today's society. I appreciate this love from them more than anything. It's no surprise where they got it from, Flo. We all should take a page out of the Narozny book of strength, friendship and love.

The Narozny family wouldn't be where it be without Flo's leadership, character and charm. This was a woman who loved all and gave everyone second and third chances without hesitation. While she did enjoy beating all of us in cards, bowling and shuffleboard, even at times reminding of us too frequently of her winning records, but it will be those moments at the table or court where all she cared about was holding my hand and telling me how much she loved me. She was my number one fan, no questions, and I felt her love from start to finish. From a grandson's perspective I knew that anyone who knew Flo, loved her deeply and was the lucky to have met her. I would never replace how proud and lucky I was to have such a hip, charming, and loving Grandma.

I love you Flo and thank you for my nickname, CJ. The greatest compliment I could give you is that you were more than my Grandmother the last 29 years, you were my best friend and mentor of how to live and enjoy life. She is one of God's children, an Angel, and much happier now because she isn't in pain and is now with her old friends, family and Charlie.

Love Always & Forever,

CJ
