“ Dear Geri and Eddie~

*I was surprised and saddened to find your mom's obit in the sunday paper. My, she lived a very long life. I remember her well and how much my mom enjoyed her friendship on Holmes Street when I was a little girl. It seems to me that you brought her to see my mom when she died in the summer of '99.*

*I remember how much she loved you kids and how often she would tell me about you both. I hope her life remained vital to the end.*

*It saddens me when we lose someone of our parent's generation. I know how much I'd give to be able to talk to mine.*

*I lost my brother Jimmy last year to a heart attack. So I am the only one left of my nuclear family. He and I became very close after my mom died. Kinda interesting how she brought us together.*

*I hope to make it to yur mom's funeral mass.*

*Warm regards,*

*Susie Sabelsky##imported-begin##Susan Sabelsky Hill##imported-end##*
