We can't be with you all in person but certainly are in spirit. Franny left her impression in so many hearts and places around the world. I am thankful for her contagious passion for travel and know it was the Promo slide gallery and Fran's wonderful stories that ignited our own desire to experience new places.

It was a kismet moment (that no doubt would made Fran smile) when we stepped off our ship in Venice to learn the news of her passing. Moments before we were reminiscing about the first time we were there nineteen years ago with Ron and Fran. That was just one of many trips shared with them and we will treasure those happy times.

Condolences to Ron and the rest of the family. Franny has found peace in the final destination with the Cowan women and we hope you will find comfort in your own happy memories and picturing that grand reunion.

*Love to all,
Merle and Bob Higdon*
