“ *Dear Fran's family, Fran was one of my favorites. Her spunk, quick wit made her someone who was always fun to be with. My heart sank when I heard the news and there is a hole at Grace without her. Godspeed to her . Love, David Fulkerson*

“ *I was warned: Fran spoke her mind! No filter. And yes it happened. Gary and I came to visit for Christmas shortly after we became engaged. We are enjoying each other's company when, to my amazement, Fran brings up an old girlfriend of Gary's and wondered out loud why they never stayed together! YIKES!!*
