

Francis John Musialowski

October 6, 1950 - December 22, 2024

Francis J. Musialowski passed away on December 22, 2024, at the age of 74 in Casco Township. Frank was born on October 6, 1950, to Edward and Gertrude (Serbin) Musialowski in Detroit. Beloved husband of 18 years to Brenda (nee Crane) Musialowski. Loving and devoted father of Monique Musialowski and Mindy (Carl) Pellegata. Dear stepfather of Jennifer (Paul) Sheppard, Jon Golden, and Carolyn Golden. Loving and proud grandfather of Mia, Ava and Morgan. Dear brother of Nancy (the late Dale) Kauslick and the late Roger (Janet) Musialowski.

Frank worked for 42 years and retired from AT&T. He loved his family well. He enjoyed golfing, fishing, and watching the Detroit Tigers, the Detroit Red Wings and the Detroit Lions. In his younger years, Frank served as a Medic in the United States Air Force. He was also a member of the bands Jerry and The Del-Rays and Rondell and The Casuals. He loved music and enjoyed playing the organ. Frank loved animals and never went to visit anyone who had dogs without bones in his pocket. He especially loved his Golden Retrievers, Remi and Jackson, and took them for car rides around the block often.

There will not be a service at this time as the family wishes to have a Celebration of Life at a later date in the summer.

“ Frank and I played in the band Rondell and the Casuals after high school. The band was great and we played each Friday and Saturday night at the Turf Lounge in Ferndale. That gig went on for a year! Sadly, Ronny Nelson, Jim Kowalski, and Pat Samone have also passed. Only Ed Choike and myself are left. I also remember visiting Frank at his parents home. I always would ask him to fire up the Hammond Organ and play Misty for me! Loved his playing and friendship. RIP my friend.

“ Shared some really great times with Frank since school. He truly was the calmest and easiest going guy I've ever known. Loved the man and will miss him. Gary

“ I never knew Frank to be in a bad mood. From our early days together in the band to later in years when Frank would service the vintage phone system in my office (he was the only one at AT&T that knew how to service it). He had an infectious laugh and it was always pleasant to be around him. Gone way too soon he will be missed by all that knew him.

“ Frank was not only a dear friend to me but a true partner in so many of life's joys. From the times we brewed beer together, to our countless golf games, travels, and casino adventures-every moment we shared is a cherished memory that I will hold close in my heart. He was more than a friend; he was a brother in spirit, and his absence leaves a profound void in my life.
