Tribute Wall

“ IN MEMORY OF OUR DEAREST, SWEET
FRANCISCO DIAZ,

I would like to express to all who knew Frank, what a wonderful man he truly was inside and out. He loved his family with a precious, warm and gentle heart. Every time he saw any of us throughout the day, he would share that beautiful smile and brighten up the room. I was so blessed to be Frank's home caregiver for most of his last 20 months. He truly became my adopted "DAD" and his loving family (Fran & Marv, Norma, Lolly, Sue, Julyanna, Albert and of course, Pipsqueak) ... became my extended "familia". We will forever celebrate, embrace, cherish, treasure and keep polished our memories that "shine" everlastingly within all of our hearts as we remember our dear beloved , FRANCISCO aka FRANK.

I offer my deepest sympathies and heartfelt embraces to all of you who loved him as I know there is cloud of "missing him" sadness that lingers over all of us as we think of him being not within our sights. As we walk in our faith, we know that Frank's SPIRIT LIVES ON FOREVER, ESPECIALLY IN OUR HEARTS. He enjoyed and lived a full and happy life. 92 years of being a wonderful human being. In those years he was an amazing father, husband, grandfather and great grandfather. For me, he was my buddy, my pal , my "Little House On The Prairie" companion from the day I became his home healthcare aide. We laughed often! And I mean often. If I could get him to laugh, I had done my job well. We traveled back to his home town via the internet as we searched for all the familiar places and memories he held dear from Eagle Pass, Texas by using the "World's Biggest TV"- where you can find and see everything" (which is what I called it when he would ask "Cyndi? What's that box for?")

Now, here, in this present moment, Frank has gone home to be with the Lord, he has passed through the gates of heaven and he is forever at peace and ever so happy to be with the angels who went before him. ❤️ Rest In Peace My Dear Sweet Friend ❤️ Just as the butterflies fly freely about the land, so do you Frank - forever

*fluttering freely feeling all of God's Glory In Heaven - AMEN ❤️
AMEN I love you forever Frank. ❤️*

**Fran, I met the most awesome and loving earth angels when i met
all of you**

*Sincerely, "Cold Hands Warm Heart" Cyndi Petruska

“ To the Diaz family, Your Dad has been part of my life for the past 40 years. Even though we only would meet once a year during "tax time", we've shared lots of memories, both good and bad but mostly good. He always expressed his desire to re-visit Texas. Both of us have families in Texas and could always compare notes. He was always grateful for his family and all the goodness and care they gave him. He will be missed by me and everyone that knew him. He was a very special person to know.

Sincere Sympathy
