“ Hi!! was just surfin' aounrd for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube.My first thought: Amazing!My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs.In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance!Best wishes PS: I hope my English was okay (###imported-begin##Ashish###imported-end##

“ Dear Family, I'm so sorry to read of the loss of your dear husband and father Mr. Becker . Please accept my sincere sympathy. As a former cancer patient, I can only imagine the pain your family feels. I pray you find comfort like I have in the following Bible promises. Jesus Christ, through God's Kingdom will soon do away with death forever. God “will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.”—Isaiah 25:8. ■ Health care will not be an issue because “no resident will say: ‘I am sick.’”—Isaiah 33:24. ■ Grieving will not be necessary, for “death will be no more.”—Revelation 21:4##imported-begin##Mrs. Houston##imported-end##

“ I knew Frank as a friend and co-worker. For more than thirty years we worked on and off together. What a joy it was to be around him. You couldn't ask for a more friendly, upbeat, and nice guy. When Frank was assigned to work with me as I was a contractor. He made my job much easier, always there to help. Not to mention if I told a stupid joke or story he had some of his own to tell. I remember him bringing one of his girls to bring your daughter to work day. Frank said after listening to our banter all night she thought we were both a little goofy. Well Frank, have a good rest and since we will be neighbors at resurrection cemetery someday we can get back to telling dumb jokes.##imported-begin##Mike Mayes##imported-end##

“ Dear Diane and Family,
We are so saddened to hear of Frank's death. He obviously put up a valiant fight, but it is a comfort to know he is now in a restful place, surrounded by loved ones. He is surely a special angel, much loved by all, and always with a watchful eye toward the family he left behind.
Each of you will be in our special prayers.

“ I am so sorry to read about the loss of Francis and I wanted to extend my condolences to your family. We are encouraged by the fact that God knows and feels our pain. We are encouraged to "throw our burdens on him and he will sustain us" (Psalm 55:22). Although there are tears of grief today, God promises a joyful tomorrow without death, mourning, pain, tears or sorrow (Revelation 21:4). He also promises a resurrection to life for our loved ones who have died (John 5:28,29).###imported-begin##T. Cherry###imported-end##
