“ Goodbye dear Uncle Frank, may you rest in God's peace and love. Thank you and Aunt Pat for being there for me and my son Aaron, when my dad "Ski" passed on. I cherish my childhood memories of you; your big, big, fiercely loyal heart and your endearing, loving nature. I love you.

“ As I am sitting here with tears in my eyes for the loss of "Dad" with my heart aching for all of you; my brain is telling me that he would not want us to cry, for he is now at peace. He is certainly bowling his perfect game with all of the other angels in Heaven.  
I am sitting here thinking of all the memories that I have of him from my days, (at my home away from home), on Pinto drive. I can still remember the smell of his pipe, oh how I loved that smell when I walked into your house.  
Hold tight to all of your cherished memories, for through them Dad will live in our hearts forever.  
All My Love,  
Elaine
