“ Dad-

I want you to know that you leaving was heart breaking. And for me the road ahead is a ruff and bumpy one. But I also know that with you on my side and in my corner that the road ahead is now smoothed and bump free. (could you please do something about the pot holes in you free time.) But in all seriousness I would give it all up to have you back again.

I love you and miss you more than you will ever know.

Your Loving Daugther,

Jo###imported-begin##Jo###imported-end##
