“ Dearest Sue and Josh and Nick,
You are one of my most favorite teachers I have had the pleasure of working with, and I am so sorry that you have lost such a wonderful part of your lives. Please know that you are in my thoughts and prayers. May God look over you and bless you during this difficult time. I am hoping in time we can meet up for lunch or dinner and some chatting again. Take care and I'll look forward to seeing you again.

“ Dear Sue, Josh, and Nick, so sorry for your loss. Frank wasn't only the best neighbor we had, but true friend also, always willing to help or advise. His unique sense of humor, and occasional brutally honesty was always special to us. We will miss him greatly. Loncar family

“ When Uncle Frank was in the Air Force and came home from Germany, he brought a bag of "rocks" to Pam and I at the farm house. We were pleasantly surprised when he opened it up and ate one!! It was candy!!!! He also played 52 Puppy Dog Pick Up with us. We were thrilled that he was going to play with us until he scattered a deck of cards all over the living room and our job was to be the puppies who picked them up! Ha. Sue, Josh, and Nick, I am so sorry for your loss. Prayers are with you at this difficult time.
