Frank Goike was a gift to all who knew him. His laughter and smile lite up a room. His devoted love of his wife Bev shined through every story he proudly shared. The relationship with his son Gary was incredible. And I am honored that I had the chance to call him my Buddy! He taught me much, his hugs were full of love and comfort and his unwavering kindness made me a better person. I will miss him forever, but carry every day his zest for life and his words of wisdom. Until we meet again my "Buddy" please know that I love you beyond words, you are the best of the best!! LOVE YOU, heaven gained an amazing angel.....
