“ December 12, 2019 - Just learned of Frank's passing. I worked with Frank at GM Photographic for several years. Enjoyed his sense of humor. He came back from vacation in the 1980s & told me he found a place he knew I would like - Cracker Barrel. We've been eating there ever since. Loved hearing about his family & was deeply saddened when his daughter passed. My condolences to Frank's family. RIP Frank.

“ Dearest Linda,

*There is a unbroken thread that is woven from love,
And it keeps family and friends always together;
For something as real as the moments we've shared,
Live on in our memories forever.*

*As difficult as this time is, may you find comfort in knowing
Frank will always be with you.
The love and memories you shared will forever be part of your life.*

Our hearts, thoughts and prayers are with you.
